GOVERNING DOCUMENTS

Copyright, Terms & Conditions, and Privacy Policy

These three instruments together govern the use of the AEDTP WORLD Application and Website (the "Service"). Read the section relevant to you, or use the index to jump straight to a clause.

§01

INSTRUMENT 01

Copyright Notice

Effective July 16, 2026 · Applies to all AEDTP WORLD properties, applications, and content

Copyright Notice

© 2026 AEDTP WORLD. All rights reserved.

Unless otherwise stated, all content on the Website and within the Application — including but not limited to code, text, graphics, logos, icons, interface designs, documentation, and the AWFLMETA wiki content — is the property of AEDTP WORLD or its licensors and is protected by applicable copyright and intellectual property laws. No part of the Service may be reproduced, distributed, or transmitted for commercial purposes without the prior written permission of AEDTP WORLD, except as expressly permitted under the license below.

Software License — AEDTP WORLD FREE LICENSE (AWFL)

Applications and software distributed by AEDTP WORLD (including PROJECT BOOT and related tools) are made available under the AEDTP WORLD FREE LICENSE ("AWFL"), unless a specific product states otherwise. In summary, AWFL is intended to permit:

- **Free use** — running the software for personal, educational, or internal business purposes at no cost.

- **Modification** — adapting the software for your own use.
- **Redistribution** — sharing the software or your modifications, provided AEDTP WORLD is credited as the original creator and this notice is retained.

> **Note:** This summary is provided for convenience. It is not the full license text. Because AWFL is AEDTP WORLD's own license (rather than a widely recognized license such as MIT or GPL), the complete, binding terms should be published in full alongside this notice, and it is worth having that full text reviewed by a qualified professional before you rely on it commercially.

Trademarks

"AEDTP WORLD," "PROJECT BOOT," "AWFL," "AWFLMETA," and associated logos and marks are trademarks of AEDTP WORLD. Other product and company names mentioned within the Service may be the trademarks of their respective owners. Nothing in these documents grants you a license to use any AEDTP WORLD trademark without separate written permission.

Reporting Infringement

If you believe content on the Service infringes your copyright, please contact us with (a) a description of the copyrighted work, (b) the location of the material on the Service, and (c) your contact information, using the details in the Contact Us section below.

Acknowledgment

These are the Terms and Conditions governing the use of this Service and the agreement that operates between You and the Company. These Terms set out the rights and obligations of all users regarding the use of the Service.

Your access to and use of the Service is conditioned on Your acceptance of and compliance with these Terms. These Terms apply to all visitors, users, and others who access or use the Service. By accessing or using the Service, You agree to be bound by these Terms. If You disagree with any part of these Terms, then You may not access the Service.

You represent that you are over the age of 16. The Company does not permit those under 16 to use the Service.

Your access to and use of the Service is also conditioned on Your acceptance of and compliance with the Privacy Policy of the Company. Our Privacy Policy describes Our policies and procedures on the collection, use, and disclosure of Your personal information when You use the Application or the Website, and tells You about Your privacy rights and how the law protects You. Please read Our Privacy Policy carefully before using Our Service.

Links to Other Websites

Our Service may contain links to third-party websites or services that are not owned or controlled by the Company. The Company has no control over, and assumes no responsibility for, the content, privacy policies, or practices of any third-party websites or services. You further acknowledge and agree that the Company shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with the use of or reliance on any such content, goods, or services available on or through any such websites or services. We strongly advise You to read the terms and conditions and privacy policies of any third-party websites or services that You visit.

Termination

We may terminate or suspend Your access immediately, without prior notice or liability, for any reason whatsoever, including without limitation if You breach these Terms. Upon termination, Your right to use the Service will cease immediately.

Limitation of Liability

Notwithstanding any damages that You might incur, the entire liability of the Company and any of its suppliers under any provision of this Terms, and Your exclusive remedy for all of the foregoing, shall be limited to the amount actually paid by You through the Service, or 100 USD if You haven't

purchased anything through the Service.

To the maximum extent permitted by applicable law, in no event shall the Company or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, loss of data or other information, business interruption, personal injury, or loss of privacy) arising out of or related to the use of or inability to use the Service, third-party software and/or hardware used with the Service, or otherwise in connection with any provision of this Terms — even if the Company or a supplier has been advised of the possibility of such damages, and even if the remedy fails of its essential purpose.

Some states do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means some of the above limitations may not apply. In these states, each party's liability will be limited to the greatest extent permitted by law.

"AS IS" and "AS AVAILABLE" Disclaimer

The Service is provided to You "AS IS" and "AS AVAILABLE" and with all faults and defects without warranty of any kind. To the maximum extent permitted under applicable law, the Company, on its own behalf and on behalf of its Affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory, or otherwise, with respect to the Service, including all implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement.

Without limitation to the foregoing, the Company provides no warranty that the Service will meet Your requirements, achieve any intended results, be compatible with any other software or systems, operate without interruption, meet any performance or reliability standard, or be error-free — or that any errors or defects can or will be corrected. Neither the Company nor any of its providers makes any representation or warranty as to: (i) the operation or availability of the Service; (ii) that the Service will be uninterrupted or error-free; (iii) the accuracy, reliability, or currency of any content provided through the Service; or (iv) that the Service is free of viruses, scripts, trojan horses, worms, malware, timebombs, or other harmful components.

Some jurisdictions do not allow the exclusion of certain warranties or limitations on statutory consumer rights, so some of the above exclusions may not apply to You. In such cases, the exclusions in this section shall be applied to the greatest extent enforceable under applicable law.

Governing Law

The laws of the Country, excluding its conflicts of law rules, shall govern these Terms and Your use of the Service. Your use of the Application may also be subject to other local, state, national, or international laws.

Disputes Resolution

If You have any concern or dispute about the Service, You agree to first try to resolve the dispute informally by contacting the Company.

For European Union (EU) Users

If You are a European Union consumer, You will benefit from any mandatory provisions of the law of the country in which You are resident.

United States Legal Compliance

You represent and warrant that (i) You are not located in a country that is subject to a United States government embargo, or that has been designated by the United States government as a "terrorist supporting" country, and (ii) You are not listed on any United States government list of prohibited or restricted parties.

Severability and Waiver

Severability. If any provision of these Terms is held to be unenforceable or invalid, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law, and the remaining provisions will continue in full force and effect.

Waiver. Except as provided herein, the failure to exercise a right or to require performance of an obligation under these Terms shall not affect a party's ability to exercise such right or require such performance at any time thereafter, nor shall the waiver of a breach constitute a waiver of any subsequent breach.

Translation Interpretation

These Terms and Conditions may have been translated if We have made them available to You on Our Service. You agree that the original English text shall prevail in the case of a dispute.

Changes to These Terms and Conditions

We reserve the right, at Our sole discretion, to modify or replace these Terms at any time. If a revision is material, We will make reasonable efforts to provide at least 30 days' notice prior to any new terms taking effect. What constitutes a material change will be determined at Our sole discretion.

By continuing to access or use Our Service after those revisions become effective, You agree to be bound by the revised terms. If You do not agree to the new terms, in whole or in part, please stop using the Website and the Service.
